### GENERAL INFORMATION

*This POLAR® catalogue cancels all previous catalogues. We reserve the right to make changes in design or construction at any time without incurring any obligation in incorporating such changes in tools or equipment previously sold. We also reserve the right to discontinue the manufacture or offering for sale through POLAR® dealers of any tools or equipment at such time as we consider necessary.*

*Dimensions shown in this catalogue have been rounded to the nearest fractional size or nearest tenth millimeter and are not exact product specifications. Ask your local POLAR® representative or POLAR® customer service for product specifications if required.*

*We cannot accept the responsibility for the results of using tools which have been abused or badly worn, such as punches and chisels mushroomed by hammer blows, or the incorrect use of tools, or tools repaired by others. The catalogue is distributed by POLAR® and all items may be available in each country. For detailed information about the availability and pricing, please contact your local POLAR® representative or POLAR® customer service.*
